

Accessibility: Font Size or OpenDyslexic Font Style

There is an option to modify the font size in D2L, and to change the font style from the default style to the OpenDyslexic style.

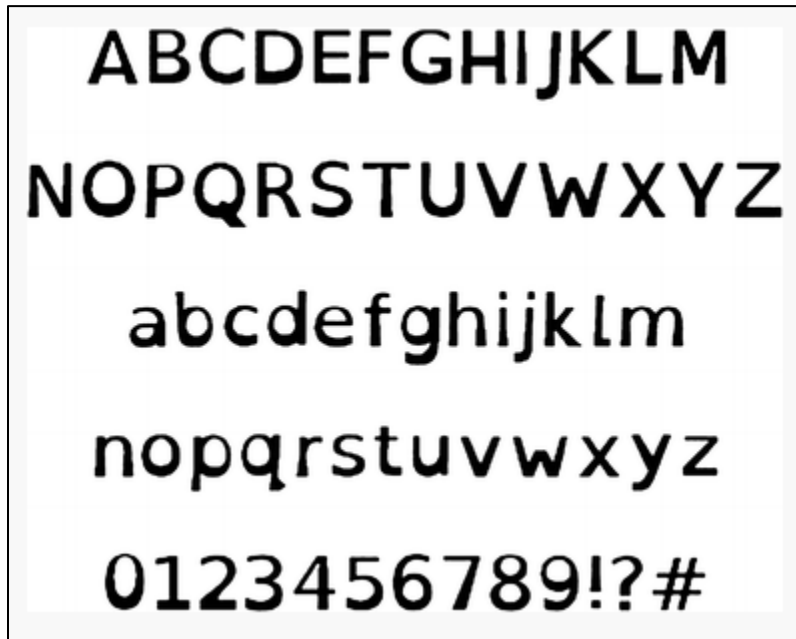

1. On the right hand side of the navigation bar, click the icon for **Profile, Notifications and Account Settings**. From the dropdown menu, select **Account Settings**.

2. Under **Font Settings**, select font size.

Example of Open Dyslexic font:
