

## How to Join an Adobe Connect Meeting in D2L

This guide will show you how to join an Adobe Connect Meeting room in D2L.

1. Click into the D2L course where the Adobe Connect Meeting has been created.
2. Go to **Communication**, then select **Online Rooms**.

3. Click on the **Join** button beside the name of the session you wish to attend.

**NOTE:** The **Join** button will not be available after the **End Date and Time**

Name: (avoid using special characters in room name, eg #)	Join Room	Start Date and Time ▲	End Date and Time	Service Provider
D2L Adobe Connect Meeting Demo ▼	 Join	1-23-2018 6:00 PM	1-23-2018 7:00 PM	Connect

### IMPORTANT:

If the session does not load after you have clicked on the **Join** button, adjust your browser setting to *allow pop-ups*, then click on **Join** again. Alternatively, try using a different browser.

Click on your browser of choice below for help on how to allow pop-ups (or disable the pop-up blocker)
